

Hi my name is Alexis and I am a third year student at Calpoly San Luis Obispo CA. It has come to my attention that the FCC is on the verge of a big decision that will affect what every American hears, sees and reads and will likely shape the future of our media for generations to come. As a political scienc major, pre-law student and hopefully one of the future leaders of America, I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Thankyou for your time and consideration
